

HLT30207 Certificate III in Non Emergency Client Transport

This qualification covers workers who provide non-emergency transport and care of clients. Transport services of this kind are usually pre-arranged/booked and time of response is not given a high priority in comparison to emergency transport. Clients are those requiring transport and/or client care for non-acute or chronic illness or disability.

Entry requirements

There are no prerequisites for this course.

Career Opportunities/Vocational Outcomes

- Ambulance Transport Officer
- Patient Transport Officer
- Patient Transport Attendant

Program Articulation

Students who successfully complete the core units of this qualification may gain articulation into the Cert III in Non Emergency Client Transport (HLT30207). You may also gain advanced standing in other Cert IV and Diploma qualifications.

Program Duration

Full Time: 6 months
Part Time: 12 months

Course Commencement

Courses commence in February, April, July and September each year for full time and part time applicants.

Delivery Methods

This course is delivered through blended face to face classroom learning, online learning at students' self pace or by correspondence.

Assessment Methods

Students may be required to sit written and oral exams, participate in practical activities, complete assignments, presentations, vocational projects and role plays.

Students undertaking a course as part of a work based traineeship will be assessed in the workplace.

Recognition of Prior Learning

Participants with previous training and/or experience may apply for RPL. Participants, who have completed courses with equivalent / matching learning outcomes, will be granted credit transfer.

Accreditation

Qualifications are issued by Sand Goanna RTO: 32143 and are nationally recognised throughout Australia under the (AQTF) Australian Quality Training Framework

Course Structure

To achieve a Certificate III in Non Emergency Client Transport, the qualification packaging rules requires completion of 15 units:

- All 10 compulsory units
- 5 elective units

A wide range of elective units is available and may include:

- Relevant electives listed below the compulsory units for this qualification
- Competency units available at Certificate III level or higher in the Health and/or Community Services Training Packages
- A maximum of 2 competency units may be selected from other relevant Training Package units available at Certificate III (or higher)

CORE UNITS

Unit Code	Unit Name
